Fowler Elementary

2017-2018

Statement of Purpose

The mission of Fowler Elementary School is to educate all students to their highest potential through a collaborative effort among staff, parents, and the community. The vision of Fowler Elementary is to support the whole child, to focus on social and emotional wellness, academics and to prepare students for the future in a safe and collaborative environment.

A strong partnership between the school and home is essential if a quality educational program is to be provided to all students. Fowler Elementary School is dedicated to the philosophy that parent involvement is integral to the success of each student. For this reason, parents are actively recruited as our partners for success. The parent involvement policy is reviewed and amended during the annual SBDM Title I evaluation and planning meeting, which is held during the spring at a convenient time for all to attend.

Grade level learning objectives and priority standards will be available to all parents at the beginning of the school year. All students will be expected to work toward mastering these objectives. Our campus recognizes the fact that some students will need extra assistance to achieve their full potential. The extra assistance is available to all students through the Title I program and various other educational services offered through the district.

Fowler Elementary desires to include parents in all aspects of the Title I program. Students will be given every opportunity for success through the development and enhancement of the home-school partnership.
