

Parent Involvement Policy

Kate Burgess Elementary

2020-2021

Distributed October 19, 2020

A strong partnership between the school and home is essential if a quality educational program is to be provided to all students. Kate Burgess Elementary is dedicated to the philosophy that parent involvement is integral to the success of each student. For this reason parents are actively recruited as our partners for success.

Students work toward mastering grade level learning objectives and goals. Our campus recognizes the fact that some students will need extra assistance to master appropriated learning objectives. The extra assistance is available to all students through the Title I program and various other educational services offered through WFISD.

Parent Involvement in Developing Policy

The Kate Burgess Elementary Site Based Decision Making committee is comprised of teachers, parents, community members and campus and district administrators. This committee will meet annually to discuss the design and implementation of the Parent Involvement Policy. Ongoing discussion regarding the campus parent involvement policy will occur.

Kate Burgess Elementary will actively recruit volunteers for the SBDM committee by publicizing in a variety of ways. Committee selections will produce a diverse group of stakeholders that represent an array of student populations served by the campus. Meetings will be planned at convenient times and locations for all concerned parties. If translators are needed, the campus will arrange for one to be present.
