Principal

January 19, 2018

Dear Parent:

I was recently notified that Lamar Elementary has been included on the 2017-2018 Public Education Grant (PEG) list. The Texas Education Agency (TEA) places a school on this list for one of the following reasons:

- 1) *The passing rate on a subject area test of the state assessment is less than or equal to 50 percent in any two of the preceding three years: 2015, 2016, 2017; or*
- 2) *The school was rated Improvement Required by the state accountability system in 2015, 2016, or 2017.*

Due to the increasingly rigorous standards on the 2017 STAAR tests, Lamar failed to meet the requirements for satisfactory performance on one of the four STAAR indexes (student achievement). Our campus is taking steps to improve and increase our performance in this area. Our campus leadership team is working collaboratively to meet the needs of the students. Tutoring sessions are in progress throughout the day as well as after school. Student progress is closely monitored through Student Support Teams to ensure academic progress.

Under the PEG intra-district transfer provision, parents of a student enrolled in a campus on the PEG list may apply to transfer from a school on the PEG list to another campus that is not on the list. Parents may apply for a PEG transfer for 2018-2019 by contacting the WFISD Student Assignment Office. Transfer applications are available in the Student Assignment Office at 1104 Broad Street, Room 300 or the form may be downloaded from the District website, www.wfisd.net, after February 13, 2018. Applications must be submitted to the Student Assignment Office: 1) hand delivered, 2) faxed to (940)720-3104, 3) emailed to lmuehlberger@wfisd.net, or 4) mailed to P.O. Box 97533, Wichita Falls, TX 76307-7533.

All transfer approvals are contingent on space availability at the receiving campus. Parents of transfer students are responsible for transportation. If you would like further information, please don't hesitate to call or email.

Sincerely,

Amanda Garcia
Principal
