Mission Statement: The mission of the Southern Hills team is to ensure high quality instruction in an encouraging environment so that all students reach their highest potential.

Home-School Compact

Southern Hills Elementary School has the responsibility to provide high quality instruction for each student in a supportive learning environment. It is our goal to provide every child the opportunity to reach his/her full potential in intellectual, emotional, and physical growth. For learning to take place, we understand that there must be a combination of effort, interest, and motivation on the part of the school, the home, and community working together. This compact is a voluntary agreement and a promise of commitment to help the student's progress in school and society as they reach adulthood. As a team, we can work together for the success of our children.
