

How do I see my child's grades through Skyward Family Access?

Go to www.wfisd.net, Parents page, then find Skyward Family Access listed under 'S' on the right hand side of the screen.

Once you click Skyward Family Access, the Skyward Family Access screen will appear. Instructions and a how-to video are available. Please click Skyward Login to continue.

If you have questions regarding Skyward Family Access, email gsconnect@wfisd.net.

Once you click Skyward Family Access, the login screen will appear.

- If you had a Family Access account last year, please use the same login information to access your student this year.
- If you do not have a Family Access account set up, please contact the campus where your student is enrolled and they will set up your account and give you the login information.

*District employees: You will login to Family Access with your network username and password.

Once inside Family Access, click 'Account Info' in the upper right hand corner to change your password.

Click 'Change My Password.'

In the 'Change my Password' section, enter your new password in the New Password and Retype New Password fields and enter 'password' in the Current Password field.
