

Give Your Child Confidence for Kindergarten

Children need to know several important skills before kindergarten even begins. Things like:

- **Saying the alphabet**
- **Identifying letter sounds**
- **Writing their name**
- **And much more**

With Waterford Upstart, your child gets the skills they need so they'll be ready.

Your child will learn **reading**, **writing**, **math**, and **science** through a computer-based program at home to prepare for kindergarten—at no cost to you.

What you need to know:

It's Free

Everything you need is provided.

- Laptop
- WiFi
- Coach

It's Fun

Your child will love the fun, interactive lessons. With a curriculum that takes only minutes a day, the program is perfect for busy families like yours.

It Works

On average, Waterford Upstart graduates enter kindergarten reading at nearly a first-grade level.

With or without preschool, Waterford Upstart is the perfect way to make sure your child is ready for kindergarten.
