

BEN FRANKLIN ELEMENTARY
Parent Involvement Policy
2021-2022-Distributed October 8-11, 2021

Statement of Purpose

A strong partnership between the school and home is essential if a quality educational program is to be provided to all students.

Ben Franklin Elementary School is dedicated to the philosophy that parent involvement is integral to the success of each student. For this reason, parents are actively recruited as our partners for success. The parent involvement policy is reviewed and amended during the annual SBDMT Title I evaluation and planning meeting.

The policy will be distributed at parent teacher conferences. Grade level learning objectives and goals will also be distributed to all parents at the beginning of the school year. All students will be expected to work toward mastering these objectives. Our campus recognizes the fact that some students will need extra assistance to achieve their full potential. The extra assistance is available to all students through the Title I program and various other educational services offered through the district.

Ben Franklin Elementary School intends to include parents in all aspects of the Title I program. Students will be given every opportunity for success through the development and enhancement of the home-school partnership.

Parent Involvement Developing Policy

Ben Franklin Elementary School's Site-Based Decision Making Team (SBDMT) is composed of parents, community members, administrators, teachers, and other staff members. This committee will meet annually to discuss the design and implementation of the Parent Involvement Policy. Committee selections will produce a diverse group of stakeholders that represent an array of student populations served by the district.

Meetings will be planned at convenient times and locations for all concerned parties. If a translator is needed, the campus will arrange for one to be present.

Parent Involvement Activities to Improve Academic Achievement and School Performance

One of the primary functions of the SBDM Team will be to identify ways that Ben Franklin can plan and implement effective parent involvement programs. The campus will also promote and encourage staff development for employees on establishing effective relationships with parents as a means to increase academic achievement.

Building the Schools' and Parents' Capacity for Strong Parent Involvement

Ben Franklin Elementary School will involve the SBDMT in identifying barriers to parent involvement and to provide parent involvement strategies.

The campus will support a variety of parental involvement strategies as it strives to develop and maintain an optimum learning environment for all students. To the extent practicable, parents of LEP, disabled, and migrant students will be given full opportunities to participate in parent involvement activities. Information will be provided, to the extent practicable, in a format and language such parents understand.

Annual Title I Parent Meeting

Ben Franklin Elementary School will hold an annual meeting to review Title I guidelines and services offered at the campus. Copies of the current Parent Involvement Policy and the Home-School Compact will be distributed at the meeting. Parents will be encouraged to become involved in the revising and updating of this policy as necessary, and parents volunteers will be recruited for the district and campus SBDMT as vacancies occur.

Home-School Compact: In accordance with Title I regulations, the campus will develop and annually update a home-school compact. This compact will explain how students, parents, and staff will share responsibility for student performance and success, and will enable them to do so. Members of the SBDMT will be consulted in the design and implementation of the compact.

All parents will be given a copy of the compact detailing the responsibilities that teachers, parents and students have in helping students accomplish their goals. Students and parents are encouraged to sign that they are in agreement with the compact and return them to the school; however, parents and/or students are not required to return the compacts to school.

Staff/Parent Communication: Parents will be informed of school activities through various avenues of communication throughout the school year. Newsletters, conferences, personal contacts, and written notices will be utilized to establish and maintain an open line of communication. Staff development will include strategies to promote effective parent involvement activities. Activities will educate all staff members in the value of parent involvement.

Coordination of Parent Involvement Activities: Parent Involvement strategies will be incorporated into Ben Franklin Elementary School's curriculum and programs through the Campus Improvement Plan (CIP). Parent Involvement will be a top priority and will be aligned with the entire educational program.

Annual Evaluation: The SBT will annually review and evaluate all aspects of the parent involvement program. Parent surveys including questions about the effectiveness of the program will be distributed and results analyzed. Teacher surveys and teacher contact logs will be used to determine the number and kind of interaction between school and parents. The SBDMT will update or revise the campus Parent Involvement Policy and Home-School Compact based on the results of this annual review.
