

Prescription Medication / Treatment Request

When it is necessary for your child to receive medication during the school day:

- **Parents/guardians must provide and deliver all medications to the school.**
- Medication must be in a bottle from the pharmacy, properly labeled with the student's name, the physician, the medication name and quantity, administration directions with dosage and time and the date of this prescription's issue. *You may ask your pharmacist for a second, properly labeled bottle so you have one for home and one for school.*
- Medications sent in baggies or unlabeled containers, will not be given. Medication will not be accepted if the label has been altered by hand.
- The Prescription Medication Request must be completed each school year and when there are any changes to the original request including a medication and/or dose change. A separate form must be completed for each medication.
- Parents/guardians are strongly encouraged to pick up all medication immediately after it is discontinued. **At the End Of The School Year, All Medication That Has Not Been Picked Up By The Parent/Guardian Will Be Destroyed.**
